The Fairfax County Democratic Committee is no longer an all volunteer Committee with no paid staff of any kind. No other entity pays compensation for their employees to work for the committee. Beginning this month, however, an Executive Director is being paid a full time salary and benefits, and he devotes more than 25 percent of his time to federal elections. Separately, a part time employee is paid to devote all of their compensated time to non federal elections. Although the part time employees' wages are reported to our non federal regulatory agency, the VA State Board of Elections, the payroll processing expenses of the non federal employee are billed to the Committee's Federal account as overhead. The Fairfax County Democratic Committee maintains both Federal and Non Federal accounts, and continuing with this report, it allocates qualified joint administrative expenses between accounts. Administrative and overhead expenses are apportioned on the 36 percent federal, 64 percent non federal split pursuant to regulations and reported here on Schedule H1. Joint operating expenses are identified and apportioned in this monthly report on Schedule H4. The transfer of accumulated expenses from the Non Federal account to the Federal account will occur in August 2008 and will be reported in the September 2008 monthly report. The Committee does not engage in any fundraising on behalf of candidates for Federal office, so all of its reported fundraising expenses are party fundraising. This amendment addresses an inquiry from the FEC dated January 9, 2009, regarding cumulative, itemized and unitemized contributions reported on line 11(a) of our Detailed Summary Page. This and future reports will not adjust cumulative totals of itemized and unitemized contributions when a given donor's reporting threshold of \$200 for the calendar year is reached. The FEC letter of January 9th also questioned an unmatched memo text for Schedule B supporting line 21 (b) of our report. The memo text was revised to disclose a corrected amount of \$436.79 reimbursed for purchase of a projector bulb from Dell Computer Corporation by committee member Sue Langley. The memo text was revised to match the reimbursement amount to the cost of the projector bulb. The FEC letter asked for clarification of Credit Card Discount as a reported expense of the Committee. This is widely recognized terminology of the banking industry. The credit card discount is the percentage charged by banks to convert credit card vouchers to cash, typically in the range of three to five percent of donations charged to credit cards. Other descriptions questioned in the FEC letter have been revised in our report to clarify the purpose of parade expenses and volunteer party expenses. This amendment also reclassifies payroll and related costs of our Executive Director as FEA in Schedule B supporting line 30(b) of our report. This and future reports will continue to report salaries and expenses of our Executive Director, who spends more than 25 percent of his compensated time on federal elections, as FEA. His costs will be paid entirely with federal funds, with no allocation from the non-federal account. This amendment also aligns the starting balance of to this report with the corrected ending balance of our amended June 2008 report.
